(14) The appointment under reference is Accountant (temp.) on Rs 30/-, sanctioned (for one year) from 1st July 1933 for each of the 8 Dist. School Board offices.

These posts were duly advertised thro' the C.R.B., prescribing the required qual. of S.S.L.C. 'Accounts Higher' was not an obligatory qual. & it was made clear to the appg. officers that a C.R.B. candidate possessing Accounts qual. or knowledge may be given preferential consideration, at his discretion.

(15) These vacancies were adv. long ago, (i.e, before July 1933) & have all been practically disposed of, now. Special Consideration in some cases (e.g, Kasaragod & Kolar Dts.) has also been shown so as to enable a person with Accounts knowledge being appointed.

(16) The D.P.I. now requests that Accounts Higher may also be prescribed as a necessary qual. for this appointment.

(17) This may be a useful or desirable qual., & may be noted & considered in respect of a Specific Vacancy arising hereafter for adv. But, the appointments that have already been made have come into effect cannot be disturbed on this account. After all, these are only temp. appts. till 1-7-34, (as at present). Further, with reference to the

(18) Generally, in advertising vacancies only the minimum qual^ns required are notified, & if there should be among the applicants, persons possessing the higher or the additional qual^n, the appointing officer may himself give preference & select him. That has been done in the appts so far made, & in some cases, special Govt sanction has been shown.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE,

No. Spl. 2952-169 of 33-34.

Bangalore, dated 2nd February ...1934.

ENCL.

-3 FEB. 1934

FROM

N. S. SUBBA RAO, ESQ., M.A., BAR-AT-LAW.,
DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE,
BANGALORE.

TO

H. V. Ramaswami, Esq., M.A., B.L.,
General Secretary to Government,
Bangalore.

SIR,

Subject:- Regarding the minimum qualifications to be prescribe for the Accountants in the School Board offices.

Adverting to Government Order No. E. 3755-64/Edn. 176-32-10 dated 9th/16th May 1933 sanctioning temporarily the appointment of an account-ant in each of the offices of the eight District School Boards on a fixed pay of Rs. 30/- per mensem, I have the honor to state that as the cost of the appointment will have to be borne in equal proportions by the Government and the Local Education Authorities concerned, the appoint-ments will have to be filled up by the School Boards in accordance with the Central Recruitment Board Rules.

As per existing rules of the Central Recruitment Board, a pass in the S.S.L.C. Examination is the minimum qualification for a post in grade III carrying a pay between Rs. 25/- to Rs. 40/-. But the rule 11 in the Central Recruitment Board Manual says "In addition to the general qualifi-cations mentioned above, candidates for appointments may be required to pass such departmental tests as may be prescribed by Government from time to time." In the present case, it is considered desirable that in addi tion to the general qualifications prescribed for the post, in grade III,

a pass in the "accounts higher" examination is also absolutely necessary for the following reasons:-

(1) All the bills relating to the Elementary Schools in the District have to be carefully scrutinised by the accountant and got countersigned by the School Board Officer before they are presented at the Treasury for payment.

(2) All Accounts relating to the Elementary Education Fund have to be maintained correctly.

(3) The entries in the Treasury pass books have to be scrutinised after they are received from the treasuries in comparison with the entries in the bills books, differences, if any, should be reconciled, reconcillation statements should be prepared plus and minus memos to be drawn up and monthly accounts furnished to the Financial Branch of this office.

(4) The countersigning of bills will necessarily mean that the accountant must maintain satisfactorily records in the office regarding the details of service of all the employees in the Elementary Schools up to date and check the bills with reference to such records.

From the above facts it is clear that the Accountant has been sanctioned solely for the purpose of maintaining the accounts of the Elementary Education Fund in the School Board Offices in a more efficient condition than is possible with ordinary clerks. This new accountant can do so only when he is fully conversant with the rules and regulations of the several account books. My Financial Assistant is also of the same opinion.

In these circumstances, I recommend that, in addition to the general qualification i.e., S.S.L.C. for the post of the Accountant in question as a pass in the Accounts Higher Examination may be prescribed as the technical qualification as per rule 11 of the Central Recruitment Board Rules. To appoint only S.S.L.C.'s immediately

and ~~expect~~ expect them to pass the accounts higher examination in 1 or 2 years would lead to inefficient and confused accounts immediately and probable irregular use of Elementary Education funds.

I solicit early orders of Government in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

K. S. Rama Rao

Director.
